**BRIDGE WIDENING PROJECT TO RESUME IN WOODSTOCK**  
***NH ROUTE 112 BRIDGE OVER GORDON POND BROOK***

The New Hampshire Department of Transportation announces work is scheduled to resume Wednesday, May 7, 2003 on the widening of the NH Route 112 bridge over Gordon Pond Brook in Woodstock.

This bridge widening project will require single lane traffic until its completion in July 2003.

Warning signs, concrete barriers and stop signs at both ends of the project will be used to guide traffic through the work zone.
